02. CATEGORIES

Endurance race showcasing the Nova NP02: high-performance prototypes designed by Nova offering unbeatable value for money, performance and enjoyment.

The endurance series reserved for GT cars: Ferrari, Porsche, Mercedes, Lamborghini, Alpine...
The 4 or 6 hour races are generally very competitive and are won as much on the track as in the pits.

The Ultimate Cup single-seater series is reserved for Tatuus F3R T-318 cars. A true talent scout, the Hoosier Formula Cup propels drivers into the single-seater and prototype pyramids.

For fans of short but intense races, this series features the most beautiful GT cars in events where every second counts.

03. ULTIMATE WINTER CUP

After six seasons combining prototypes, GTs and single-seaters on Europe's most beautiful circuits, the **Ultimate Cup** is reaching a new milestone with the **Ultimate Winter Cup 2026**: three meetings in Portugal and Spain, designed to extend the competition and camaraderie into the heart of winter.
